

## LATTICE INSTALLATION

If you want to put up lattice, you have to follow the following procedures:

1. Fill out an Architectural Request Form, which can be downloaded on the website.
2. E-mail in and get Board Approval, this could take up to 30 days.
3. Either use our one of our Approved Vendors, or Your Contractor, which *must* be approved first by the Board.

This is an estimated cost for the work; you will have to set up an appointment with the contractor to get a final cost based upon inspection.

Small Balcony: \$550 to \$700

Big Balcony: \$770 to \$900

Small Patio: \$1,200 to \$1,500

Large Patio: \$1,800 to \$2,100

The following are HOA preferred Contractors:

John Rozelle Construction at: 661- 406-5004
